

A Teaching Experience at HCTC (Hospitality Catering Training Center)

Minmahaw School's students have been getting a taste of lesson planning and teaching at HCTC (Hospitality Catering Training Center). As teaching experience teachers, they have to do SMART (Specific, Measurable, Achievable, Realistic and Timely) lesson planning. They have to teach for 2 hours every Tuesday evening and Saturday morning. On Tuesday evening, they start class at 4:30PM to 6:30PM. For Saturday, they start the class at 8:30AM to 10:30AM.
