

Orientation:

Registered students must attend Summer School Orientation on Thursday 19 — Friday 20 March, before classes commence on Monday 23 March, 2015.

'I was happy when I attended Summer School because it has a lot of volunteer teachers who spoke to me with English language. The activities and quizzes were fun. So I liked Summer School very much.'

*Noo Win, student,
Summer School 2014*

Minmahaw Summer School aims to:

- familiarise students with learning and communicating in an English language immersion environment.
- familiarise students with the investigative, interactive approach to teaching and learning as used in contemporary international education systems.
- develop individual study patterns.
- develop skills to allow a smooth transition from school education to the beginnings of tertiary and/or vocational education.
- encourage each student to become a contributing member of a total school community.
- develop students' self-confidence.
- evaluate student readiness to continue to further education.
